PRELIMINARY DRAFT - NOT READY FOR INTRODUCTION

Gen

- 1 AN ACT *to repeal* 348.185 and 348.21 (1) of the statutes; **relating to:** displaying
2 the empty weight on the side of certain motor vehicles (suggested as remedial
3 legislation by the Department of Transportation).

Analysis by the Legislative Reference Bureau

Current law prohibits any person from operating a motor truck, truck tractor, motor bus, trailer, or semitrailer unless the vehicle's empty weight is displayed on the side of the vehicle. This bill eliminates the requirement that a vehicle's empty weight be displayed.

For further information, see the NOTES provided by the Law Revision Committee of the Joint Legislative Council.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

* LAW REVISION COMMITTEE PREFATORY NOTE: This bill is a remedial legislation proposal, requested by the Department of Transportation and introduced by the Law Revision Committee under s. 13.83 (1) (c) 4, stats. After careful consideration of the various provisions of the bill, the Law Revision Committee has determined that this bill makes minor substantive changes in the statutes, and that these changes are desirable as a matter of public policy.

- 4 SECTION 1. 348.185 of the statutes is repealed.

1 **SECTION 2.** 348.21 (1) of the statutes is repealed.

side

This SECTION repeals section 348.185. This statute prohibits any person from operating a motor truck, truck tractor, motor bus, trailer, or semitrailer unless the vehicle's empty weight is displayed on the side of the vehicle. According to the department of transportation, federal regulations require only the United States DOT number and the carrier name to be printed on the side of commercial motor vehicles, and this change would bring Wisconsin law into conformity with pertinent federal regulations.
